SEAN F. McAVOY, CLERK

UNITED STATES DISTRICT COURT

EASTERN DISTRICT OF WASHINGTON

JEFFREY HUNTINGTON,

Plaintiff,

v.

SMOKE CITY FOR LESS LLC d/b/a  
SMOKE CITY FOR LESS; VAPOR  
BEAST LLC; and DOES 1-50,

Defendants.

No. 4:22-CV-05014-MKD

AMENDED JURY TRIAL  
SCHEDULING ORDER

On March 28, 2024, the Court held a scheduling conference. ECF No. 76.

Kevin Dalia and Corrie Johnson Yackulic appeared on behalf of Plaintiff. John Raschko appeared on behalf of Defendant Smoke City for Less LLC. Erin Fraser and Tori Levine appeared on behalf of Defendant Vapor Beast LLC.

In addition to a jury trial schedule, the Court sets a hearing on the pending Motion to Dismiss, ECF No. 69. Finally, the parties raise an evidentiary issue that may impact the taking of depositions. As explained at the hearing, the parties are

1 directed to confer and file a joint status report proposing a briefing and hearing  
2 schedule on the issue.

3 Accordingly, **IT IS HEREBY ORDERED:**

4 **1. General Court Procedures**

5 Pursuant to Fed. R. Civ. P. 16(b)(4), the dates set forth in this Order may be  
6 amended **only** by Order of the Court and upon a showing of good cause. Pursuant  
7 to Fed. R. Civ. P. 29, the parties may stipulate to other procedures governing or  
8 limiting discovery, except the dates set forth in this Order.

9 Counsel shall review and employ Local Civil Rule (LCivR) 83.1 (Civility)  
10 and Washington Rule of Professional Conduct 3.4 (Fairness to Opposing Party).

11 **2. Mediation**

12 If the parties elect to proceed to mediation, it should be completed as early  
13 as possible to avoid the unnecessary expenditure of judicial resources. If the  
14 parties have not reached a resolution by the date indicated in the Summary of  
15 Deadlines below, the Court will refer this matter to a Federal Magistrate Judge for  
16 settlement purposes. The parties shall file a status report by that same date  
17 regarding the settlement process.

18 If the parties would like to pursue mediation before a Federal Judge  
19 (District, Magistrate, or Bankruptcy) at an earlier date, the parties shall contact the  
20 Courtroom Deputy for a referral.

1           **3. Rule 26(a)(1) Exchange**

2           If not already accomplished, the parties shall disclose their Fed. R. Civ. P.

3       26(a)(1) material no later than the date indicated in the Summary of Deadlines

4 below.

5           **4. Motions to Amend Pleadings, Add Parties, for Class Certification**

6           Any motion to amend the pleadings, add parties, or for class certification

7 shall be filed no later than the date indicated in the Summary of Deadlines below.

8           **5. Sealed Documents**

9           Any and all sealed documents shall be filed by the parties under the sealed

10 event as a sealed document. The parties are not required to file a separate motion

11 to seal a document. The parties shall file any objections to a sealed document by

12 **no later than five days** after the filing of the sealed document. The Court will

13 thereafter review the sealed document and any objections filed to determine

14 whether the document should be unsealed.

15           Any party filing a sealed document shall email

16 [dimkeorders@waed.uscourts.gov](mailto:dimkeorders@waed.uscourts.gov) to inform the Court of the filing. The email shall

17 note the ECF number of the sealed document and the general nature of the

18 document.

19           **6. Rule 26(a)(2) Expert Identification and Reports**

1       The parties are cautioned that failure to timely identify experts or provide  
2 reports in accordance with Rule 26 and this scheduling order may result in  
3 exclusion of such testimony absent good reason. *See Wong v. Regents of the Univ.*  
4 *of Cal.*, 410 F.3d 1052 (9th Cir. 2005). Additionally, Rule 26(a)(2) reports shall be  
5 emailed to the court at [dimkeorders@waed.uscourts.gov](mailto:dimkeorders@waed.uscourts.gov).

6                   **A. Plaintiff - Initial Expert Disclosures**

7       Each Plaintiff shall identify its experts and serve those experts' Rule  
8 26(a)(2) reports on all other parties no later than the date indicated in the Summary  
9 of Deadlines below. Each Plaintiff shall also provide dates for which those experts  
10 can be available for deposition. Counsel is required to file a notice with the Court  
11 indicating their compliance with this Order's Rule 26(a)(2) requirements.

12                  **B. Defendant - Initial Expert Disclosure**

13       Each Defendant shall identify its experts and serve those experts' Rule  
14 26(a)(2) reports on all other parties no later than the date indicated in the Summary  
15 of Deadlines below. Each Defendant shall also provide dates for which those  
16 experts can be available for deposition. Counsel is required to file a notice with  
17 the Court indicating their compliance with this Order's Rule 26(a)(2) requirements.

18                  **C. Plaintiff - Rebuttal Expert Disclosure**

19       Each Plaintiff shall identify its rebuttal experts and serve those experts' Rule  
20 26(a)(2) reports on all other parties no later than the date indicated in the Summary

1 of Deadlines below. Each Plaintiff shall also provide dates for which those experts  
2 can be available for deposition. Counsel is required to file a notice with the Court  
3 indicating their compliance with this Order's Rule 26(a)(2) requirements.

4 **7. Discovery Cutoff**

5 **A. Generally**

6 All discovery, including depositions and perpetuation depositions, shall be  
7 completed by the date indicated in the Summary of Deadlines below ("Discovery  
8 Cutoff"). To be timely, discovery requests must be served sufficiently in advance  
9 of the deadline to allow for timely response by the cutoff date. All interrogatories,  
10 requests for production, and requests for admission shall be served on the opposing  
11 party no later than **70 days** prior to the Discovery Cutoff. The parties shall not file  
12 discovery, except those portions necessary to support motions or objections.

13 **B. Depositions, Interrogatories, Requests for Production and/or  
14 Admission**

15 Unless otherwise stipulated, no more than 10 depositions up to seven hours  
16 long, may be taken by the plaintiffs, or by the defendants, or by third-party  
17 defendants. Fed. R. Civ. P. 30(a)(2)(A), (d)(1).

18 Unless otherwise stipulated, any one party may serve no more than 25  
19 written interrogatories, including discrete subparts, on any other party. Fed. R.  
20 Civ. P. 33(a)(1) advisory committee's note to 1993 amendment (explaining  
"discrete subparts").

1 Unless otherwise stipulated, any one party may serve no more than 30  
2 requests for production, including discrete subparts, on any other party. LCivR  
3 34(d).

4 Unless otherwise stipulated, any one party may serve no more than 15  
5 requests for admission, including discrete subparts, on any other party. LCivR  
6 36(c).

7 A party needing relief from these limitations should timely seek relief from  
8 the Court by motion.

### 9           **C. Protective Orders**

10       Any stipulation or motion for a confidentiality agreement or protective order  
11 must be timely filed so as not to delay the discovery process or the Court's  
12 deadlines. If confidential records are attached to court filings, "compelling  
13 reasons" must be shown to seal records attached to a dispositive motion and "good  
14 cause" must be shown to seal records attached to a non-dispositive motion.

15 *Kamakana v. City and County of Honolulu*, 447 F.3d 1172, 1178-80 (9th Cir.  
16 2006).

### 17           **D. Motions to Compel**

18       To avoid wasted time and expense, the parties may contact chambers to  
19 schedule a telephonic conference to obtain an expedited ruling on discovery  
20 disputes. Motions to compel seeking sanctions shall be filed in writing.

1 All motions to compel discovery must be filed and served no later than **30**  
2 **days** prior to the Discovery Cutoff.

3 **8. Notice of To-Be-Adjudicated Claims and Affirmative Defenses**

4 Each party shall file and serve a notice no later than seven days after the  
5 Discovery Cutoff indicating which previously-pleaded claims and/or affirmative  
6 defenses will be adjudicated at trial.

7 **9. *Daubert* and Dispositive Motions**

8 **A. Generally**

9 All *Daubert* and dispositive motions shall be filed on or before the dates  
10 indicated in the Summary of Deadlines below. Responses and replies to *Daubert*  
11 and dispositive motions shall comply with LCivR 7. No supplemental responses or  
12 supplemental replies to any *Daubert* or dispositive motion may be filed without  
13 Court permission.

14 **B. Summary Judgment Motions**

15 Parties are generally expected to set forth all their arguments in support of  
16 summary judgment in a single dispositive motion that conforms with the page  
17 limits set forth in the local rules. No party shall file multiple, successive, or  
18 piecemeal motions for summary judgment without first obtaining leave of the  
19 Court.

1                   **C. Statement of Uncontested Facts**

2                   The parties shall also file a Joint Statement of Uncontested Facts no later  
3 than **three days** after filing of the reply with a courtesy copy emailed to  
4 [dimkeorders@waed.uscourts.gov](mailto:dimkeorders@waed.uscourts.gov).

5                   **D. Notice of Hearing**

6                   *Daubert* and dispositive motions shall be noted for hearing at least **50 days**  
7 after the date of filing.

8                   **10. Certification to the State Supreme Court**

9                   No later than the date for filing dispositive motions, the parties must identify  
10 any issue of liability or damages which should be certified to the State Supreme  
11 Court.

12                  **11. Constitutional Challenge**

13                  No later than the date for filing dispositive motions, the parties must comply  
14 with the procedures contained within Fed. R. Civ. P. 5.1 if the constitutionality of a  
15 federal or state statute is called into question.

16                  **12. Motion Practice**

17                  **A. Notice of Hearing**

18                  Parties are to comply with LCivR 7(i) when noting motions for hearing. If  
19 oral argument is sought by a party, counsel shall first confer and determine an  
20 agreeable hearing date and time, and then contact the Courtroom Deputy at

1 (509) 943-8172 to confirm the Court's availability for the agreed-upon hearing  
2 date and time. All non-dispositive motion hearings shall be conducted by video,  
3 unless in-person argument is approved by the Court. The parties may use cellular  
4 phones for telephonic hearings, but not in speaker mode and provided the caller is  
5 in an area with adequate cellular service and minimal background noise. Landline  
6 phones may not be used in speaker mode. All phones must be muted unless  
7 addressing the Court. Dispositive motion hearings in which oral argument has  
8 been requested will be set for in-person appearance, unless otherwise directed by  
9 the Court. If the parties seek to request the dispositive motion be heard by video,  
10 counsel shall contact the Courtroom Deputy.

11           **B. Motions to Expedite**

12       If there is a need to have a motion heard on an expedited basis, the party  
13 must file a motion to expedite and an accompanying memorandum (or declaration)  
14 establishing the need for an expedited hearing. The motion shall be noted for  
15 hearing, without oral argument, no earlier than seven days after the filing of the  
16 motion, or two days after the date of filing with prior permission from the Court.  
17 Pursuant to local rule, motions (including stipulated motions) may **not** be noted for  
18 hearing for the same day they are filed. *See* LCivR7(i)(2).

1                   **C. Citing Previously Filed Documents**

2                   All references to a previously filed document shall cite to the electronic case  
3 filing (ECF) record number and page number within that ECF record, in the  
4 following format, “ECF No. \_\_ at \_\_.” Such documents shall not be attached as  
5 exhibits.

6                   **D. Reliance on Deposition Testimony**

7                   When a party relies on deposition testimony to support a position it takes in  
8 support or opposition to an issue, that party shall provide the Court with the  
9 pertinent excerpts of the deposition testimony relied upon and shall cite to page  
10 and line numbers of the deposition it believes supports its position. *See generally*  
11 LCivR 56(c). Submission of the entire deposition and/or failure to cite to specific  
12 portions of the deposition may result in the submission being stricken from the  
13 record. *See Orr v. Bank of America*, 285 F.3d 764, 774-75 (9<sup>th</sup> Cir. 2002).

14                  **E. Supplemental Responses or Replies**

15                  No supplemental responses or supplemental replies to any motion may be  
16 filed unless the Court grants a motion to file such documents.

17                  **F. Motions to Reconsider**

18                  Motions to reconsider are disfavored. Motions must show manifest error in  
19 the prior ruling or reveal new facts or legal authority which could not have been  
20 brought to the Court’s attention earlier. The motion shall be noted for expedited

1 hearing without oral argument seven days after it is filed. No response to a motion  
2 for reconsideration need be filed unless requested by the Court. No motion for  
3 reconsideration will be granted without such a request by the Court.

4 **G. Decisions on Motions**

5 The parties may call to inquire about the status of a decision on a motion if  
6 the Court has not issued an order within **30 days after** the hearing on said motion.

7 **13. Witness/Exhibit Lists**

8 Witness/Exhibit lists shall be filed and served and exhibits made available  
9 for inspection or copies provided to the parties on or before the date indicated in  
10 the Summary of Deadlines below.

11 **A. Witness Lists**

12 Witness lists shall include a brief description of the witness, a brief summary  
13 of the witness' anticipated testimony, whether the witness will be called as an  
14 expert, and any known trial date/time conflicts the witness may have.

15 **B. Exhibit Lists**

16 Exhibit lists shall include a brief description of the exhibit. All exhibits shall  
17 be pre-marked; Plaintiffs' exhibits shall be numbered 1 to 999; Defendants'  
18 exhibits shall be numbered 1000 to 1999. Exhibits shall be marked in the lower  
19 right corner of the exhibit when practicable.

1                   **C. Objections**

2                   Objections to witnesses/exhibits shall be filed and served on or before the  
3 date indicated in the Summary of Deadlines below, **and shall be heard at the**  
4 **pretrial conference.** All objections to witnesses shall set forth a legal basis and  
5 explanation for the objection. Objections to an exhibit or portion thereof shall be  
6 accompanied by a full and complete copy of the exhibit in question and a short  
7 legal explanation for the objection. The party seeking the admission of the witness  
8 or exhibit has **five** days, excluding federal holidays and weekends, to file a  
9 response to the opposing party's objection; no reply shall be filed.

10                  **14. Deposition Designations**

11                  **A. Generally**

12                  Designation of substantive, as opposed to impeachment, deposition or prior  
13 testimony to be used at trial shall be highlighted – in yellow by Plaintiff or in blue  
14 by Defendant – and each party shall serve a complete, highlighted transcript of the  
15 deposition or prior testimony on or before the date indicated in the Summary of  
16 Deadlines below.

17                  **B. Cross-Designations**

18                  Cross-designations shall be highlighted – in yellow by Plaintiff or in blue by  
19 Defendant – in the transcript containing the opposing party's initial designations  
20

1 and shall be served but not filed on or before the date indicated in the Summary of  
2 Deadlines below.

3           **C. Objections**

4           All objections to designated deposition or prior testimony and the legal bases  
5 for the objections, shall be filed and served on or before the date indicated in the

9 underlined document shall be filed and served with the objections. The party  
10 seeking admission of the testimony has **five days**, excluding federal holidays and  
11 weekends, to file a response; no reply shall be filed. If the deposition was  
12 videotaped, and the videotape is to be used at trial, the party seeking to use the  
13 videotaped deposition shall indicate the relevant portion on both the written  
14 transcript and the videotape. Similarly, objections shall be made on the written  
15 transcript as explained above along with the applicable time stamp on the video  
16 tape noted. All objections to deposition and prior testimony designations shall be  
17 heard and resolved at the pretrial conference with the videotape available for  
18 display.

19           **15. Motions in Limine**

20

1 All unresolved substantive or evidentiary issues that may foreseeably arise  
2 during trial shall be addressed by motions in limine to be filed and served on or  
3 before the date indicated in the Summary of Deadlines below. Such motions will  
4 be addressed and resolved at the pretrial conference. However, motions in limine  
5 may not reargue issues already decided by the Court.

9 shall be filed on or before the date indicated in the Summary of Deadlines below,
